- I attest that I am not asking you to send any Rosary to someone other than myself.
- I understand that only one free Rosary is permitted per household, and also agree not to send in multiple requests in separate envelopes, but rather to assist in your production costs should I request more than one Rosary. (by the suggested donation of \$2-\$10 per Rosary). My first Rosary, however, is completely free and a donation is optional.
- I understand that these same Rosaries sell for upwards of \$16 in other places and Rosary Army offers them freely to whomever requests one.
- I also understand that, due to limited quantities of certain colors, the color I request may not be available, but agree that the closest selection will do just fine.
- Lastly, I agree to and promise not to sell any Rosaries I receive from Rosary Army, whether I received a free one or provided a donation.

Circle the color of your one (1) free Rosary.  
 (If sending in a donation for additional Rosaries, circle the colors you'd like, and write the number of each color you'd prefer next to selected Rosaries.)
